

# 3rd Workshop on Low Emittance Lattice Design - LEL 2022

## Tuesday, 28 June 2022

### Errors / Alignment / Correction - Maxwell Auditorium (11:35 - 12:50)

-Conveners: Lin Liu

time	[id] title	presenter
11:35	[22] Full coupling studies at ALBA	MARTÍ DÍAZ, Zeus
12:00	[23] Prospects for optics measurement and correction in FCC-ee (remote)	KEINTZEL, Jacqueline
12:25	[21] Overview on sensitivities of ultra low-emittance light source rings against errors, measures developed to enhance robustness and strategies of first-turn commissioning (remote)	SAJAEV, Vadim
