

XI AUSE Conference and VI ALBA Users Meeting

XI AUSE Conference
VI ALBA Users Meeting
Oviedo
2 – 6 September 2024

Contribution ID: 34

Type: **not specified**

B - Electronic and Magnetic Matter: Experimental observation of a magnetically induced warping transition in a topological insulator mediated by rare-earth surface dopants using angle-resolved photoemission spectroscopy

Tuesday, 3 September 2024 18:10 (20 minutes)

Presenter: MUÑIZ CANO (IMDEA NANOCIENCIA), Beatriz
