

## Synchrotron Radiation to study Atomic Layer Deposition

Contribution ID: 2

Type: **oral**

# SAXS Investigation of Nano-Pore Membranes Coated By Atomic Layer Deposition

*Monday, 13 June 2016 18:00 (20 minutes)*

**Primary author:** Ms HADLEY, Andrea (Department of Electronic Materials Engineering, Research School of Physics and Engineering, The Australian National University)

**Presenter:** Ms HADLEY, Andrea (Department of Electronic Materials Engineering, Research School of Physics and Engineering, The Australian National University)

**Session Classification:** Talks 2
